

Website Content: "Who We Serve" Page (Refined)

Refinements: Polished B2B tone (removed buzzwords), expanded full tea range for Retailers, and clarified Hospitality tea service operations.

1. HERO HEADER SECTION

Top of the page above the grid

Section Tag / Eyebrow	PRIVATE-LABEL TEA MANUFACTURING
Primary Headline (H1)	Custom Manufacturing Solutions for Every Business Model
Hero Sub-text	From emerging tea brands to large-scale FMCG enterprises, we deliver end-to-end private-label manufacturing, custom blending, and complete packaging solutions built around your volume requirements and quality standards.

2. THE 6 SEGMENT CARDS (CLEAN B2B COPY)

Organized for 6 visual cards / Bento grid blocks

# / Segment	Core Focus	What We Deliver	Packaging Solutions
01 Start-ups	Seamless market entry with end-to-end guidance	Sample development, agile pilot batches, custom formulation support, and regulatory compliance assistance (FSSAI, AYUSH) with dedicated single-point-of-contact onboarding.	Stand-up zip pouches, bespoke sampler boxes, and pyramid infusion bags.
02 D2C Brands	Custom formulations engineered for modern wellness consumer brands	Rapid development of specialty wellness teas (detox, chamomile, butterfly pea, moringa, floral, herbal infusions) with batch-to-batch consistency and premium packaging solutions.	Embossed tin caddies, matte quad-seal zipper pouches, and plant-based biodegradable pyramid tea bags.
03 FMCG Companies	High-volume processing, automated blending, and audited compliance	Multi-tonne precision blending drums, 7-level QA/QC testing, complete BMR/BPR batch documentation, Certificate of Analysis (COA), and certified facilities (FSSC 22000, GMP, Sedex).	High-speed roll pouches, double-chamber staple-free tea bags, and inner-liner cartons.
04 Retailers	Complete private-label tea portfolios for supermarkets & modern trade	Direct origin sourcing (Assam, Darjeeling, Nilgiri, Munnar) across CTC teas, orthodox black teas, green teas, flavored blends, premixes, and herbal infusions, with complete retail packaging coordination.	Value family packs (250g–1kg), shelf-ready mono cartons, zip pouches, and tea bags.
05 Hospitality	Curated signature house blends and premium	Custom breakfast and specialty dining blends, artisanal tisanes, high-grade loose leaf selections for restaurant	Individually sealed foil envelope tea bags for guest amenities and 1kg–5kg

	single-serve service	service, and bulk catering packs for hotels, resorts, and cafés.	<i>foodservice bulk packs.</i>
06 International Brands	Export-grade purity, certified traceability, and global logistics	Authentic Indian origin teas with non-chemical CO2 treatment for botanicals and spices to prevent infestation, fully compliant with APEDA, Tea/Spice Boards, Halal, and India Organic export standards.	<i>Vacuum-sealed export cartons, nitrogen-flushed bulk containers, and export-compliant retail packs.</i>
